Summary Report

Event: Seminar

Date: 13/02/2019

Time: Starting at 02:00 PM

Venue: Bhaskar Pharmacy College Seminar Hall

Organized by: Department of Pharmaceutics

Topic: Novel Methods of drug delivery for Enhancing Patient Care

Resource Person: Mr. Nampally K., Associate Professor of Pharmaceutics, Venkateswara Institute of Pharmaceutical Sciences, Nalgonda, Telangana.

Objectives achieved:

1. Attendees gained understanding of novel drug delivery methods, such as nanotechnology and targeted therapies.
2. They identified potential applications of these methods in specific patient care scenarios.
3. Participants understood plans to integrate novel drug delivery techniques into existing healthcare protocols.
4. They assessed the feasibility and potential benefits of implementing these methods in clinical practice.

Participants: Faculty, M.Pharm, Pharm D and B.Pharm students.

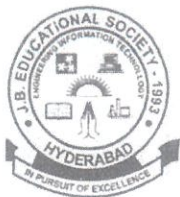

Total number of participants: 24

After the student interaction with the resource person, Dr. Mohd Abdul Hadi, Associate Professor, Department of Pharmaceutics, delivered a vote of thanks. Following that, Dr. A. Srinivasa Rao, Professor & Principal, presented the resource person with a memento in appreciation of his contribution.
