Summary Report

Event: Seminar

Date: 11/03/2020

Time: Started at 02:00 PM

Organized by: Department of Pharmaceutics

Topic: Guiding Through Regulatory Standards to Ensure Quality and Compliance in Pharmaceutical Dosage Forms

Resource Person: Dr. S. Bongoni, M.Pharm, Ph.D, Associate Professor of Pharmaceutical Chemistry, Thalla Padmavathi College of Pharmacy, Warangal, Telangana.

Objectives achieved:

1. Participants gained a comprehensive understanding of regulatory standards governing pharmaceutical dosage forms, ensuring adherence to quality and compliance requirements.
2. They acquired practical insights into implementing regulatory guidelines, thereby enhancing the quality assurance processes within pharmaceutical manufacturing.
3. Attendees were equipped with the knowledge to navigate regulatory complexities, enabling them to mitigate risks and ensure product safety and efficacy.
4. Through case studies and discussions, participants developed strategies to align their practices with regulatory expectations, fostering a culture of continuous improvement and compliance within their organizations.

Venue: Bhaskar Pharmacy College Seminar Hall

Students Participated: M.Pharm, Pharm D and B.Pharm students.

Total number of Student Participants: 28

After the student interaction with the resource person, Mr. Satyabrata Jena, Associate Professor, Department of Pharmaceutics, delivered a vote of thanks. Following that, Dr. A. Srinivasa Rao, Professor & Principal, presented the resource person with a memento in appreciation of his contribution.

ALL INDIA COUNCIL FOR TECHNICAL EDUCATION (AICTE) SPONSORED TWO-DAY INTERNATIONAL CONFERENCE

About AICTE

The AICTE was constituted in 1987 by an act of Parliament to provide for the establishment of an All India Council for Technical Education with a view to proper planning and co-ordinated development of a technical education system throughout the country, the promotion of qualitative improvements of such education in relation to planned quantitative growth, regulation and proper maintenance of norms and standards in the technical education system and for the matters connected therewith. The purview of AICTE covers programmes of technical education including training and research in Engineering, Technology, Architecture, Town Planning, Management, Pharmacy, Applied Arts and Crafts, Hotel Management and Catering Technology etc. at different levels.

About the College

Bhaskar Pharmacy College was established in 2007, by a great visionary and educationalist Late. Sri. J. Bhaskar Rao, under J.B. Educational Society to develop the education system in its sprawling campus having Pharmacy, Medical, Dental, Engineering, Architecture and Law colleges. Now more than 8000 students are studying various professional courses. The college offers B.Pharm, Pharm.D and M.Pharm courses and has highly qualified and dedicated faculty with doctoral degrees. Two students were awarded with gold medals by JNTUJH in 2012 and 2019 for scoring highest marks among all affiliated colleges. The college runs under the dynamic guidance of Sri J.V.Krishna Rao, Secretary, J.B. Educational Society.

About the Conference

The pharmaceutical science is a dynamic and rapidly changing field that combines a wide range of scientific disciplines. The theme of "Current Trends in Pharmacology Research - Preclinical Trials" helps the participants to "Imagine, Innovate and Inspire" and share their views and exchange knowledge in research field of pharmacology and preclinical trials. This conference will provide a unique opportunity for pharmacy and allied health professionals to interact with globally renowned and expert speakers from different disciplines of pharmaceutical field. The delegates will learn new horizons of pre-clinical research, safety and efficacy of medication and treatment regimens.

Objectives

- To focus on the current trends in Pharmacology research and preclinical trials.
- To enhance the concepts of preliminary efficacy, toxicity, pharmacokinetic data of drugs.
- To understand the advanced impact of preclinical trials to determine safety profile of products.

Who Can Attend ?

Students, Research Scholars, Faculty Members, Pharmacists, Industry and Health Care Professionals.

Abstract Submission Guidelines

Participants are invited to present original research and review papers. The abstract should not exceed 250 words and should be submitted online. Abstract must include: Title, Authors' Names with Affiliation, Objectives, Methodology, Results and Discussion with Font-Times New Roman & Font Size-12. Presenting Author name should be in bold letters. Abstract should be sent to aicteconference.bpc@gmail.com

Poster Presentation

Posters must be designed in portrait size of 90 cm x 120 cm.

Oral Presentation

Time allotted is only 10 Min for Power Point Presentation.

Scientific Working Model Presentation

Related to Pharmaceutical and Allied Sciences.

Important Dates

Abstract Submission Last Date: 20th December 2019.

Notification of Acceptance of Abstract: 22nd December 2019.

Last Date of Registration: 27th December 2019.

Invited Speakers

Summary Report

Event: Two-day AICTE Sponsored International conference

Date: 03/01/2020 and 04/01/2020

Time: 10:00 AM onwards

Organized by: Bhaskar Pharmacy College

Topic: Current Trends in Pharmacology Research - Preclinical Trials

Objectives achieved:

1. Enhanced understanding of preliminary efficacy, toxicity, and pharmacokinetic data of drugs, facilitating informed decision-making in pharmaceutical research.
2. Acquired insights into the advanced implications of preclinical trials, enabling better assessment and determination of safety profiles for pharmaceutical products.
3. Strengthened ability to interpret and utilize preclinical trial results effectively, thereby contributing to the improvement of drug development processes.
4. Developed skills to critically analyze and apply preclinical trial findings in optimizing drug safety and efficacy, fostering advancements in pharmacological research and development.

Venue: Bhaskar Pharmacy College

Participants: Students, Research Scholars, Faculty Members, Pharmacists, Industry and Health Care Professionals. (From various Colleges as well as National and International Universities).

Total number of Participants: 604

Bhaskar Pharmacy College, hosted an International conference sponsored by AICTE on 3rd to 4th January 2020, focusing on "Current Trends in Pharmacology Research - Preclinical Trials". The event drew nearly 604 participants, comprising Students, Research Scholars, Faculty Members, Pharmacists, Industry and Health Care Professionals, fostering valuable discussions and insights into the latest advancements in the field of pharmacology research. A Special issue of this Conference Proceedings is published in International Journal of Life Science and Pharma Research. ISSN 2250 – 0480; SP-09.
