Summary Report

Event: Seminar

Date: 15/04/2021

Time: 10:00 AM onwards

Organized by: Department of Pharmaceutical Analysis

Topic: Modern techniques involved in Synthesis and Evaluation of drugs

Resource Person: Dr. Hechchu R., M.Pharm, Ph.D, Assistant Professor, School of Pharmacy, College of Health Sciences & Medicine, Wolaita Sodo University, Ethiopia.

Objectives achieved:

1. An insight into the latest methodologies and technologies involved in synthesis and evaluation of drugs.
2. Exploring novel approaches for optimization of drugs.
3. Obtained knowledge about emerging trends and various innovative evaluation approaches for drugs.
4. Knowledge about the challenges and solutions involved in synthesis and evaluation of drugs.

Venue: Bhaskar Pharmacy College Seminar Hall

Students Participated: M.Pharm, Pharm D and B.Pharm students.

Total number of Student Participants: 13

After the student interaction with the resource person, Dr. Narottam Pal, Associate Professor & HOD, Department of Pharmaceutical Analysis, delivered a vote of thanks. Following that, Dr. A. Srinivasa Rao, Professor & Principal, presented the resource person with a memento in appreciation of his contribution.

Objectives achieved: Bhaskar Pharmacy College conducted a comprehensive 10-day Intensive Teaching Workshop-2020 in between 13th to 26th August, 2020. The workshop was attended by nine teaching staff members. On the concluding day of ITW, all 9 participants unanimously agreed that the workshop was highly beneficial. Many became aware of their shortcomings as a teacher and fortify their strengths. In this connection, the participants gave their self-assessment before and after attending the workshop and they agreed that the workshop was very informative, great learning, definitely helped them and provided the direction in becoming better teachers. The majority of the participants showed certain improvement after completion of the workshop.
