3.4.2: Awards and recognitions received for extension activities from government / government recognized bodies

Bhaskar Pharmacy College has been honored with prestigious awards and accolades from government bodies and recognized organizations, acknowledging its significant contributions to various extension activities. These activities encompass a diverse range of endeavors, including active participation in the University NSS Youth Festival, organization of Swachh Bharat and Haritha Haram programs, Blood donation camps, Youth events, and Extensive awareness campaigns on cancer and HIV/ Aids prevention.

The observance of World Cancer Day, an annual event aimed at promoting cancer prevention, detection, and treatment initiatives while fostering awareness about the disease, stands as a testament to our commitment to societal well-being. Our NSS unit consistently engages in community outreach initiatives, striving to impart benefits to individuals and society as a whole. These endeavors span from blood donation drives to educational lectures on awareness programs, all designed to nurture both physical and emotional well-being.

Our students exhibit remarkable enthusiasm in their involvement in environmental protection services, earning recognition for their unwavering dedication to addressing pollution issues. Their efforts have facilitated the implementation of educational developmental projects in public schools, culminating in well-deserved commendations and accolades.

In addition to promoting student engagement in interactive activities, the college maintains an extensive network connecting with the surrounding neighborhood. Our students actively participate in volunteer initiatives, contributing to the National Swachh Bharat Abhiyan and fostering cleanliness both on and off-campus. These endeavors extend to raising awareness

about the profound impact of a clean environment on human health and actively advocating for cleanliness through various campaigns.

The organization of blood donation camps underscores our commitment to instilling principles of social responsibility among our students. These principles encompass increasing awareness of societal challenges and actively engaging in the process of finding sustainable solutions. Through these activities, students develop vital skills such as social, communication, leadership, analytical, and perceptual skills.

The NSS Cell of our college has undertaken numerous initiatives aimed at educating students about various social issues and challenges, with the motto "Not me but you" serving as a guiding principle. Our relentless efforts are geared towards cultivating empathy and compassion among students, fostering fundamental changes in their perspectives and behaviors towards societal issues.

Bhaskar Pharmacy College remains steadfast in its mission to maximize societal impact, continually striving to expand the scope of its efforts to provide further assistance to society each year.
