ACTIVITY REPORT

Name of the Activity	Career Opportunities for Study Abroad Aspirants	
Type of Activity	Career Counseling	
Date and Time of Activity	24.12.2019	10.00 AM to 12.00 PM
Details of Participants	120	
Resource person/guest/organization	Mr.David Fallen,Irish Educational Consultant.	
Description	<p>The Department of Training and Placement is organizing a Career Opportunities for Study Abroad Aspirants on 24.12.2019 by Mr. David Fallen. The session started at 10:00 AM in the seminar hall. The students were given complete guidance about career counseling. They also conducted revision and assessment tests to check the students' gained knowledge.</p> <p>The global outlook you have as an international student is often appealing to employers, and along with your degree you'll have a lot to offer. While you studied abroad you may have even worked part-time depending on your visa restrictions and gained some experience in the area you want to pursue.</p> <p>As your graduation gets nearer you'll need to consider what your job opportunities are after studying abroad; whether you want to continue your studies, stay and work, or find a job back in your home country.</p> <p>He emphasized how the idea that everyone has the ability to be creative does not successfully boost competition and makes it more difficult to be recognized as a professional creative industries practitioner. Even though everyone is creative or innovative in some manner, this does not guarantee success. This is due to three major factors. Some individuals have a better capacity for creativity and imagination than others. Some individuals lack the time and resources required to realize their creative potential. Others just believe that they cannot earn a career from their creativity and hence do not embrace or develop their imagination.</p>
