### TERMS AND CONDITIONS

#### Original Documents

You are required to bring your original documents for the qualifications which are stated on your CAS statement, along with your passport and visa to enable you to enrol at the University.

#### Confirmation of Acceptance for Studies (CAS) Issuing Policy

As part of the admissions process, if you have previously studied in the UK, you are required to provide the full details of your UK immigration history, which includes any visa refusals.

There may be occasions whereby we need to contact the UKVI to obtain more information regarding your immigration history. If this is required, we will ask you to sign a consent form to confirm that you authorise the University to request this information. Failure to provide this consent will result in your application being withdrawn.

Depending on the outcome of your immigration history check, this may result in the University being unable to sponsor you for a Tier 4 student visa, and therefore unable to process your application further.

Failure to declare this information may result in a visa refusal.

At the CAS stage of the process, you will be asked to confirm whether all your details are correct. If there are any discrepancies in what you confirm as correct, which in turn results in a visa refusal, the University may be unable to issue any future CAS.

The full CAS issuing policy can be provided on request.

#### Fraudulent Documents & Payments

Please note that if a fraudulent document is provided or fraudulent payment has been made (including any attempts of fraudulent payments), your application will be withdrawn with immediate effect and you will not be eligible to apply to the University again in the future. If you are already a current student and carry out any fraudulent activity including but not limited to tuition fee payments, this will result in withdrawal from the University and curtailment of your visa, requiring you to return to your home country.

#### Duplicate Agent Applications

If you have applied through one of our contracted agents, and subsequently wish to change to a different agent, you will be asked to confirm this in writing to the International Office. Please also note that your original application will be withdrawn, and we will treat your new agent request as a new application.

#### Alternative Offers

After considering your application, we may feel that an alternative course choice is more suitable for you. Subsequently we will make a conditional offer as appropriate, and you will be notified that an alternative offer has been made. Please note that this may include being offered one of our pre-degree programmes, taught here on University campus. If we feel that you require a pre-degree programme, we will refer your application to Study Group, who will then contact you directly regarding a place on one of the courses here with us.

#### Discontinuation & Withdrawal of Courses
